Cancer Center

OUR STORY

Legwork for Lungs is a registered 501(c)(3) nonprofit organization at Rutgers University committed to supporting lung cancer research, enhancing patient care, and promoting healthy lifestyles within the community.

OUR MISSION

Our annual 5K Run and Mile Walk will take place on November 7, 2026, at Buccleuch Park in New Brunswick, NJ. This event brings together individuals in a shared effort to raise awareness and funds for lung cancer research at Memorial Sloan Kettering Cancer Center.

To make this event a success, we are seeking sponsorship support from generous partners like you! Sponsorships or in-kind donations will help cover event logistics, prizes, materials, and food for volunteers and participants.

Your contribution will directly impact the lives of our community and help us create a meaningful experience for everyone. We would be happy to discuss sponsorship options at your convenience. Thank you for considering this opportunity to support our cause.

Sincerely,

Nina Johnson

President

Legwork for Lungs
